

Mr. Colby:

1. Mr. Maury called to see if there is a firm date for the turnover here, and I told him that as far as I know, there is not. He said he believes it is important that our Committee Chairmen be told early in the game that, as of _____, there will be a new Director -- just so they would not read it in the papers first. I told him I felt confident that, as soon as you knew anything definite, you would let him know.

AT 2. [] asked that I check with you on two matters:

AT a. He wants to make sure you realize that we do not now have a vacant EP slot []

cut in

✓ b. Re the/supergrade slots: the first plan was to cut 6 -- 4 from IC Staff, 2 from PPB; now only 5 must be cut, so he requests your approval to tell IC they need cut only 3, with PPB still being cut 2.

3. Tom Yale asked to see you with the DCI Quarterly Voucher which will be signed by DDCI. I put him on for 4:00 on Monday, 5 February.
